-----

1) This document describes a 440W dual glass monocrystalline solar module that provides high power output, efficiency, and reliability through multi ...

Delivering up to 22.5% efficiency and rear power gains up to 25%, this module is designed for superior durability, power output, and long-term reliability in residential, commercial, and utility ...

Module testing process (During the manufacturing process modules are being tested at least three times, during every stage of manufacturing, therefore they reach the end customer fully ...

Delivering up to 22.5% efficiency and rear power gains up to 25%, this module is designed for superior durability, power output, and long-term ...

Dual-glass Design, more secure and sustainable Upgraded dual glass of Vertex S, less prone to micro-cracks and scratches on the back during installation rating class C, weather resistance, ...

MEPV 440 MEPV 450 ... STC: 1000 W/m<sup>2</sup>, module temperature 25°C, AM 1.5 NOCT: 800 W/m<sup>2</sup>, ambient temperature 20°C, AM 1.5

1) This document describes a 440W dual glass monocrystalline solar module that provides high power output, efficiency, and reliability through multi-busbar and high density interconnect ...

Mechanical Parameters Cell Type N Type Module Size 1722x1134x30mm Glass Thickness 1.6mm Module Weight 20.5Kg Output Cable 4mm<sup>2</sup>, cable length 1200mm(can be customized) ...

Upgrade your energy system with the LONGi 440Wp Monocrystalline Solar Panel. High efficiency, durable,

# 440wp monocrystalline double glass module efficiency

and perfect for residential and commercial use.

DMEGC Solar says its new solar panels combine a double-glass design with half-cut n-type cell technology. It says the efficiency ratings range from 22.0% to 23.0%.

Higher Power Output Higher efficiency: 23.3% Lower degradation: 1 year  $\leq$  1.0%, 2 -30 year  $\leq$  0.35% Better temperature coefficient: -0.29%/ °C

The AK-A440-MAH54Db-BK offers extremely high efficiency of up to 23.3% and the panel is compatible with MC4 EVO2 connectors. The N-type ABC technology ensures that the entire ...
