Hello everyone, I just bought my first car, a 2014 Volvo V40 T3, and a warning appears on the dashboard that says "low battery charge." The car is recently...

Well, here's the thing - the global energy storage market is projected to hit \$50 billion by Q4 2025, with cross-border trade accounting for 63% of lithium-ion battery transactions. But why are ...

Explore how 2025 battery tariffs affect U.S. imports, energy storage, EV production, and sourcing strategies amid rising China tariffs and trade shifts.

With countries racing to meet renewable energy targets and stabilize power grids, energy storage battery foreign trade docking has become the hottest handshake in ...

Hi, Main battery needs changed, currently has the OEM EFB battery. Thinking of upgrading to an AGM Battery, has anyone done this and had any issues??

The main battery is the one to look at. The secondary battery is only connected to the car by a relay for a fraction of a second during an engine restart from a stop/start event, ...

U.S. demand for lithium-ion batteries, used to power cars and store energy, has been accelerating, but domestic supply failed to keep pace: consequently, for storage alone, ...

So I think the time has come to replace the main battery. Its the original Volvo 70ah EFB battery that was on the car from new in 2016.. The car starts fine but I keep getting the ...

Despite the promising landscape, challenges abound for battery energy storage companies in pursuing foreign trade. Navigating different regulatory environments presents a ...

Household battery recycling locations Lead-acid batteries, or "automotive type batteries," are banned from disposal. Consumers may bring lead-acid batteries to any Wisconsin retailer that ...

Two major areas of international trade that will remain causes of concern for energy storage projects are the application of tariffs and supply chain integrity.

CATL flooded the domestic market with inexpensive, efficient batteries. It wants to do the same overseas, but European politicians--and Donald Trump--stand in its way.
