Who is Colleen from Black Mountain sunrooms & windows & glass?

Since 2010, Colleen has partnered with Pete, to bring her passion for small business to their Black Mountain Sunrooms, Windows & Glass. She was taught by the Old Timers, what customer service really means, and is committed to stick to that standard. Pete is well, an artist and a creative genius.

What Glass Technologies does Onyx Solar offer?

At Onyx Solar, we understand that every project is unique. To meet specific requirements, we offer two advanced photovoltaic (PV) glass technologies: amorphous silicon and crystalline silicon, both fully customizable.

Do you recommend Black Mountain sunrooms?

Over the past year, anytime we have had a problem with our sunroom we called Black Mountain Sunrooms and they always came through for us. No problem was too big nor too small. They are very neat and tidy and meticulous in attention to detail. My husband and I strongly recommend them.
