---

Our containerised solutions are designed to provide optimal performance across various site conditions, ensuring excellent reliability for all your power generation needs.

We design and build container generator units, shipping container power units, and modular generator housing that meet the highest standards of safety and performance.

Whether you require a single Gas Generator unit or a complex, multi-container power park, Liyu Power offers scalable, future-ready solutions to meet your evolving energy demands.

Each solar-powered shipping container generator is transportable, securable, and can be fully customized to your specific needs, including hybrid and microgrid compatibility.

Complete MWM Container solutions: read about intelligent and complete turnkey systems for decentralized energy generation (combined heat and ...

Our line of containerized generators is easily configurable to the needs of any application, from rental to disaster relief to mining -- with a whole host of value-added standard features, ...

Originally launched for limited markets in 2021, the 40-ft containerized generator sets were engineered for easy transportation, ...

Jenbacher offers containerized generator sets based on our Type 2, 3, 4, and 6 gas engines. Leveraging the expertise acquired during several decades with more than 3,000 containerized ...

With our genset containers offer optimal performance in various site conditions. By maintaining high-quality standards for both the engine and the complete containerized power plant ...

Complete MWM Container solutions: read about intelligent and complete turnkey systems for decentralized energy generation (combined heat and power plants - CHP). The components ...

. The HOWIN containerized power plants use two kinds of cabinets such as 20-foot cabinet and 40-foot cabinet and the Cummins or Perkins can be used to provide power. Plus the mature ...

Jenbacher offers containerized generator sets based on our Type 2, 3, 4, and 6 gas engines. Leveraging the expertise acquired during several decades ...
