What can I expect from doing a valve adjustment on my v6 engine with 112k? Increased performance? wondering if it's worth the trouble

I was reading through the manual for our 2014 Honda Accord and noticed it recommended replacing the brake fluid every 3 years. I have owned three Hondas (1990, ...

It was necessary because before I used it, I never listened to my heart nor did I know anyone who had the look. -Stan

What does your owner's manual say to do? That would be a good place to start to see if a maintenance procedure is necessary or not, and when it should be done based on ...

About to pull the trigger on some ARC m10 rings for a Leupold Mark5HD. This will be my first "mid to higher end" scope. Mounted plenty of shitty scopes on shitty rings in the ...

hey all just wondering if anyone has info with getting work done from a dealer or maybe there is a honda tech here i want to get my timing belt done from a dealer (\$1500 ish) ...

Are you really suggesting that an additional 0.004" is necessary as a no-go suppressor gauge? You're much braver than me or don't mind launching the occasional can ...

Re: Why "breaking in" a barrel is NOT necessary The reason that the barrels change velocit is the bore actually work hardens and if you fire yout rifles at say 500 yards you ...

I have a 2012 at 182k miles and a 2015 at 101k miles, How often do i need to Get a Valve Adjustment Done
