Who makes custom lithium-ion battery packs?

As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging. They provide superior power and longevity suitable for various applications.

Who is the lithium battery supplier of Daimler?

*EVE and FARASIS are the lithium battery cell supplier of Daimler. *Ganfeng is the lithium supplier of Tesla. You need more than just a single lithium ion battery pack. You need a veteran manufacturer who has been in the field for 10+ years to save your project time, build your brand and grow your profits.

Is a custom battery pack better than a lithium-ion battery pack?

In some instances, a custom NiMH battery pack or custom alkaline battery pack may perform better than a lithium-ion battery pack, while keeping your costs lower. When involving our team of engineers early on in the design process, we can help assist you in choosing the proper custom battery solutions for your needs.

We offer design support for the total battery pack, including smart li-polymer battery pack solutions, BMS integration, PCB development, enclosures, ...

Custom Lithium Ion Battery Packs Can Be Easy & Safe. No matter what your projects are, based on our extensive experience, we can custom build and manufacture them.

Leveraging our expertise and state-of-the-art equipment, we help you design a solution that precisely meets your battery's unique requirements, whether it's a large-scale battery system ...

We offer design support for the total battery pack, including smart li-polymer battery pack solutions, BMS integration, PCB development, enclosures, testing, regulatory support, and ...

Contact us today to get a free, no-obligation quote for your custom battery pack project. Our experts will work
