-----

Many customers explore off grid solutions due to the simplicity and maneuverability of our containers. As long as a truck can get to the plot of land, we can drop your container.

Beyond mounting the solar panels on the roof of the container on delivery, NO wiring or assembly is required to have your own storage, living space or workspace ready in just a few hours.

Live off the grid and reduce your carbon footprint with a 40" Shipping Container Home with Solar Panels. Customizable, eco-friendly, and low-maintenance, our container homes are perfect for ...
