Can a solar roof be integrated with a planum tile?

Our Solar tile combines perfectly with our Planum ceramic tile, so the system will be fully integrated with the roof. Planum Solar tiles are made from premium mono crystalline cells and the glass technology that surrounds them is very sturdy and durable in extreme weather conditions.

What is a combined solar roof tile and a battery solution?

The combined solar roof tiles and a battery solution offers an easy-to-use monitoring system so you can track your solar roof system's performance, monitor the amount of energy it stores and how much you're saving on your energy bill.

Why should you choose a pitched roof & Planum photovoltaic solar system?

A pitched roof improves the thermal efficiency and Planum Photovoltaic Solar System makes your home self-sufficient by generating your own sustainable energy and reducing your energy bills.
