Who is the best Solar Roof Tile Company in Europe?

In 2019, Terran won the E.ON Energy Globe Award for its Generon solar roof tiles. The jury selected the most innovative and sustainable ideas from 150 applicants. Generon stood out from this field. Florida-based Energy CIO Insights magazine recognized Terran with its Generon roof tile in 2020, as one of Europe's top 10 solar technology providers.

Where are generon solar roof tiles made?

Generon solar roof tiles are manufactured in Hungary, so warranty administration is easy and quick. The installation of the Generon tiles is a cost-effective solution, as the cost of the investment will pay for itself within a few years. Terran Generon is built using concrete tiles, minimizing energy consumption and environmental impact.

What are autarq solar roof tiles?

Roof tile and solar module in one. Autarq solar roof tiles are original roof tiles with integrated miniature solar modules. They are almost indistinguishable from regular roof tiles and blend seamlessly into the overall aesthetic of your roof. Gain freedom from electricity suppliers and soaring prices.

What is the most prestigious solar roof tile?

The Red Dot Award, which dates back 65 years, is considered the most prestigious design award in the world. The Generon solar roof tile has also excelled internationally, as it won this first-class recognition too, in 2021. After its market launch Terran Generon won the 2019 Construma Award.
