What Does An RV Battery Management System do? Is A Battery Monitor System The Same as A Battery Management System? Why You Would Want A Bms For Your RV Why It Is A Top Pick An RV battery management system (BMS) monitors all aspects of an RV solar setup. From the number of amps the solar panels are sending to the solar charge controller and the state of charge of your RV batteries. It then looks at how much power you are consuming and estimates the number of days, hours, and minutes of usable energy you have remaining b...
