Where is 5G available in Vientiane?

Last week, Lao Telecom held another 5G launch ceremony during the Lao Digital Week 2024 event. Lao Telecom revealed it is now offering 5G services in 28 locations across Vientiane, including tourist attractions, several shopping malls and universities, and Wattay International Airport.

Where will 5G be available in Laos initially?

The 5G service will be initially provided in some areas of the capital Vientiane, including parts of Chanthabouly District and areas near the National University of Laos. A second phase will then bring the network to major provinces around the country, although it's not clear when this will be.

Did Lao Telecom relaunch 5G services in Vientiane?

Incumbent telco Lao Telecom has officially relaunched 5G services in the capital of Vientiane with expanded coverage, almost four years after a more limited launch in bits of the city.
