Who are the customers for our wholesale batteries?

Our wholesale batteries are sold to varied customers, including all types of retailers, e-tailers, van sales operators, B2B, industrial users, alarm & security, theatres, and TV production companies.

What types of rechargeable batteries do we stock?

Granada Batteries stocks a full range of rechargeable batteries from all the leading brands, including Duracell, Panasonic Eneloop, GP Recyko, Ansmann Maxe, and Energizer rechargeable batteries. We now offer the very latest Pre-Charged Stay Charged NiMH rechargeable battery technology.

Do you supply batteries in retail-ready packaging?

We're able to supply batteries in retail-ready packaging, along with the Point of Sale displays you need to start generating immediate returns. All of our batteries can be supplied within 48 working hours in retail-ready and tamper-proof packaging to retailers across the globe, ready to go straight on the shelves.

What rechargeable batteries are available?

Granada Batteries offer the latest Pre-Charged Stay Charged NiMH rechargeable batteries, including Duracell, Panasonic Eneloop, GP Recyko, Ansmann Maxe, and Energizer models. Some of these new low self discharge rechargeable batteries are ready to use straight from the pack and can hold up to 70% of their charge for up to 5 years.
